# SHE NEEDS YOUR VOICE

## **BREAKING NEWS:**

*'Newly Discovered Evidence corroborated by the U.S. Department of State, the U.S. Office of Children's Issues, the FBI, the Department of Health & Human Services and the Plano Police Department'...*

*"confirms conspiracy to kidnap the child, to deceive the Petitioner and not return the child to the United States."*

– Bill of Exception filed in the U.S.

Everyone is familiar with the Sean & David Goldman story. Sean was kidnapped to Brazil; Alessia Hermer has been kidnapped to the UK. Both countries violated the Hague Convention's International Treaty to return abducted children. The media has been Sean & Alessia's biggest hope; and in many cases **their only hope** to stop this growing epidemic.\*

\* According to latest report issued to Congress by U.S. Dept of Justice: "203,900 American children are kidnapped each year by a parent- and those numbers are increasing."

IF THERE WERE ONLY ONE THING YOU COULD DO TO HELP ALESSIA & HER FAMILY: Please take 3 minutes of your busy schedules right now and visit the website below.
