

## Police Reference #4: Setting the Stage for Abduction

If they had shared intentions to 'move' to England (together)... why is Simone's deception going to be necessary?

**HE MAY HAVE GUESSED...** "I will leave stuff here ... be selective on what I leave... stuff I will learn to live without..."

The image shows a screenshot of a computer screen with two windows. The background window is Microsoft Word, titled 'Document1 - Microsoft Word', showing a menu bar and a toolbar. The foreground window is a Skype chat window titled 'nicola (Offline) Skype™ Chat'. The chat window shows a conversation with 'nicola'. A yellow notification bubble at the top says 'nicola is currently not online. Your chat messages will be delivered when you are both online again.' The chat history includes the following messages:

- yes (21/05/2008 12:09:53)
- no...we will not move If I come back (21/05/2008 12:10:09)
- no...but he knows I am delaying things...so he may have guessed (21/05/2008 12:10:16)
- probably (21/05/2008 12:10:46)
- no...well my flights 7th july so thats my cut off (21/05/2008 12:11:44)
- I can always decided when I getback to london aswell (21/05/2008 12:12:10)
- will leave stuff here..be selected on what I leave\ (21/05/2008 12:12:29)
- stuff I will learn to live without (21/05/2008 12:13:10)

The messages 'no...but he knows I am delaying things...so he may have guessed' and 'will leave stuff here..be selected on what I leave\ stuff I will learn to live without' are circled in red. In the background, the Skype contact list in the Word window shows 'simmons cohen' highlighted with a red box.
