To Whom It May Concern:

This letter is intended to confirm both the character and the intent of Mr. Barton Hermer's travel to and from the United Kingdom.

On a personal level, my family has known Mr. Hermer for a number of years. He is a fine, upstanding young man with solid moral character. He has also recently approached our firm on more than one occasion. The purpose of his inquiry was to gather information regarding immigration requirements for his partner to reside in the United States.

The couple has made it clear that due to the nature of Mr. Hermer's profession and marketability, that the United States will indeed be their intended permanent residence.

His partner uses email to conduct a home-based business which can be done anywhere, while the nature of Mr. Hermer's profession is dealing face-to-face with American companies therefore the logical choice is to remain in the United States.

If I can be of any further assistance regarding this matter, please do not hesitate to give me a call.

Warm Regards,  
*Leon Wildes*
