

**PROOF: backing my Affidavit of the reason Defendant planned our holiday...**

If you recall, I stated that she approached me with the idea that "I had never seen England in the summer"

- 1.) As Stated in my Affidavit: - "she was bringing me to UK for summer vacation to see England during a different season than usual"
- 2.) Karen Sotnick was NOT to divulge the real reason for the trip; nor was her husband Eldad Yogev.
- 3.) Karen Sotnick was in on the conspiracy from the beginning, as shown in Father was Set Up.
